

Official General Contest Rules for NRG Media, LLC radio stations (the "Station")

Void where prohibited.

These General Contest Rules apply to all contests or promotions conducted by the Station, unless amended, modified or superseded by rules for specific contests, events or promotions. In the event any specific contest rule conflicts with any of the General Contest Rules provided here, the specific contest rules will control. Station reserves the right, in its sole discretion and without any resulting responsibility or liability, to cancel, modify or suspend any contest or to amend or modify these rules and regulations at any time for any reason. All changes to contest rules will be made available by Station as appropriate and in Station's sole discretion.

By participating in a contest on Station, its website, mobile apps, social media pages or by other means of participation, entrants agree to the General Contest Rules given here and the specific rules, terms and conditions provided for that particular contest as stated, whether in place of or in additions to these rules.

HOW TO ENTER:

No purchase is necessary to enter. Purchase will not improve chances of winning.

The contest or promotion will take place during the dates and times specified as announced on-air. Station may change the dates and/or terms of the contest without prior notice.

Depending on the contest, the Station will designate one or more methods of entering including, but not limited to the following:

a. Telephone Entry. Entrants may be asked to call in on a designated telephone line (the phone number will be given on the air) at a particular time or times. At the time that calls are solicited, the method for winning will be announced. Winners will be selected in accordance with the criteria announced when calls are solicited. The decision of the judges or station personnel will be final as to all matters, including (a) the order in which calls were received and (b) whether any answer required to be given is correct.

Listeners to Station's over the air broadcast signal may have an advantage over listener's to Station's on-line audio stream (if any) because Station's internet audio stream is slightly delayed from the broadcast signal.

If a winner is required to call-in when their name is announced on-air to win, only the actual person who entered can win and must be the person who calls in. Persons having the same name will be disqualified if not the actual entrant.

Station and sponsors are not responsible for the inability of caller to complete the call during the call-in portion of the contest whether due to telephone equipment malfunctions; disconnections; busy lines; faulty, misdirected, or misdialed telephone communications; or other circumstances. Only calls to the designated telephone number will be eligible to win.

b. Mail Entry. If a contest accepts mail (postal) entries, Station and its sponsors are not responsible for the late, misdirected, lost, misplaced, illegible, mutilated, tampered with, postage-due or incomplete entry forms for any reason, and such entries will be deemed invalid and disqualified. Entries must be received at the designated address by the announced deadline.

c. Internet Entry. In the event a contest accepts website, email, social media or other internet based entries, participants must accurately complete all required fields and information or entry will be deemed invalid and disqualified. Station and its sponsors shall have no liability for any electronic, computer, Internet, website or any other computer-related malfunctions, or service outages or delays caused by network congestion, viruses, sabotage, satellite failures, electrical or phone line outages, natural disasters, or acts of nature or man. Use of robotic, automatic, programmed or similar entry or voting modes is prohibited and will be void. In case of an identity dispute, the registered user of the email account on the date of entry will be the recognized entrant. Station is not liable for any injury or damage to entrant's or any other person's computer or hardware related to or resulting from participating in or downloading any information necessary to participate in the contest.

If the contest is conducted using Facebook, Facebook or its entities have no liability or responsibility for any claim arising in connection with participation in Station's contests or any prize awarded. Station's contests are in no way sponsored by, endorsed or administered by, or associated with, Facebook.

Members of Station's listener club may have an advantage in winning over non-members, depending on the specific contest and methods of entry permitted.

d. Text Message Entry. If a contest accepts text message entries, station does not charge a fee for text entries. Entrant's normal text plan charges may apply. Station assumes no responsibility for charges incurred for text-messaging, including (without limitation) charges resulting from any bounce back messages or contest notices from the Station.

If there is any dispute about the identity of an entrant, the registered user of the text message account on the date of entry will be the recognized entrant.

Station assumes no responsibility for, and does not guarantee in any way, the availability or performance of any mobile, text or data service, including liability for transmission delays or message failures. Station does not guarantee, and shall not be responsible for, the delivery or timeliness of any text message entry. Standard text and data rates will apply. The Station is not responsible for service outages, message failures, transmission delays or any other factor affecting the availability or performance of the text messaging service.

All entries, in whatever format, become the property of Station and will not be acknowledged or returned. Station may store and use any of the entries for any lawful purpose whatsoever, without further compensation to the entrant.

Entries that are determined by Station to contain false or fraudulent information in any way will be disqualified and the person making such an entry barred from further participation in the contest.

PRIZES, NOTIFICATION AND REDEEMING PRIZES

Winners for each contest will be selected and ties broken as described in the specific rules announced on-air or published on the Station website. Odds of winning depend on the number of entries received and the manner of conducting the contest.

Prizes are specified within individual contest rules. Prizes are non-transferable and non-exchangeable. No substitution or cash equivalent will be made. Station reserves the right to substitute a prize of equal or greater value. If prize is tickets to a performance, Station is not responsible for any cancellation or rescheduling of the performance for any reason and has no obligation to reimburse, refund or otherwise substitute the tickets for another prize should the performance not be rescheduled or vouchers not issued.

Prior to the delivery of any prize, Station reserves the right to collect from the winner any taxes or fees it deems appropriate. Any person winning over \$600 in prizes during any one year period will receive an IRS form 1099 at the end of the calendar year, and a copy of such form will be filed with the IRS. Any additional costs relating to the prizes, and incurred as a result of accepting the prizes, are the sole responsibility of the winner.

Failure to execute any required documents or comply with any of the terms will result in forfeiture of the prize.
